Mr. Orban Mendoza  
President UANA/ASUA  
Puerto Rico

Dear Mr. Mendoza;

LatyCar's interest is to have harmonious relationship with all FINA aquatic Associations and Federations; and our 2000/1 talks with ASUA/UANA was striving for this ideal.

LatyCar would like to again suggest a strategic alliance with ASUA/UANA whereby all aquatic America's Masters athletes and organizations would rally under one umbrella in order to bring about a unification of our aquatic sports efforts.

LatyCar's primary objective established in 1990, is to promote Masters aquatic sports in the Americas, it continues to be dynamic and innovative. It is based on a "Masters for Masters" philosophy.

During the the last fifteen years and eight international Championships organized all around the continent, LatyCar has succeeded in achieving many goals. Masters swimming is now a thriving sport in Latin American and Caribbean countries.

LatyCar is a non-for-profit association and feels a synergy in tune with UANA/ASUA.. Under this unified effort, the proposed alliance would produce the much needed income in order to better provide for our sports and athletes.

LatyCar feels that the result would be a happy culmination of mutual interests and would only help everyone involved.

If this proposal is appealing to you, please do not hesitate in letting us know so that we may schedule a personal meeting to discuss the possible formulas in achieving this, and, if agreeable to you, your personal presence at the ALL AMERICAS in Sao Paulo at our expense.

Regards,

David E. Morrill  
President

Dra. Aroma Martorell Mallarino
